2017 Durham-Chapel Hill-Carrboro Metropolitan Planning Organization Comprehensive Transportation Plan

Prepared by: Julie E. Bogle, P.E., Project Engineer
Transportation Planning Branch
N.C. Department of Transportation

Andrew Henry, Senior Transportation Planner
Durham-Chapel Hill-Carrboro Metropolitan Planning Organization

Scott Walston, P.E., Triangle Planning Group Supervisor
Transportation Planning Branch
N.C. Department of Transportation

In Cooperation with: Chatham County
Durham County
Orange County
Town of Carrboro
Town of Chapel Hill
City of Durham
Town of Hillsborough
Chapel Hill Transit
GoTriangle/GoDurham
Orange Public Transit
Duke University
NCDOT – Division 5
NCDOT – Division 7
NCDOT – Division 8
Research Triangle Foundation
Triangle J Council of Governments

Published: November 2017

Julie E. Bogle, P.E.
Project Engineer
# Table of Contents

**Executive Summary**

**Chapter 1: Analysis of the Existing and Future Transportation System**

1.1 Analysis Methodology and Data Requirements

a) Roadway System Analysis
   
i. Traffic Crash Assessment
   
ii. Bridge Deficiency Assessment

b) Public Transportation, Rail and Truck
   
i. Public Transportation
   
ii. Rail and Truck

c) Bicycles, Pedestrians and Complete Streets

d) Land Use

1.2 Consideration of the Natural and Human Environment

1.3 Public Involvement

**Chapter 2: Recommendations**

2.1 Unaddressed Deficiencies

2.2 2040 MTP Projects not Included in the CTP

2.3 Implementation

2.4 Problem Statements

a) Highway
   
i. Full Problem Statements
   
ii. Minimum Problem Statements
   
iii. Referenced Problem Statements

b) Public Transportation and Rail

c) Bicycle

d) Pedestrian

e) Multi-use
Appendices
Appendix A: Resources and Contacts................................................................. A-1
Appendix B: Comprehensive Transportation Plan Definitions.......................... B-1
Appendix C: CTP Inventory and Recommendations........................................ C-1
Appendix D: Typical Cross-Sections................................................................. D-1
Appendix E: Level of Service Definitions......................................................... E-1
Appendix F: Bridge Deficiency Assessment..................................................... F-1
Appendix G: Socio-Economic Data Forecasting Methodology........................... G-1
Appendix H: Public Involvement....................................................................... H-1
Appendix I: Existing Transportation Plans and Policies................................... I-1
